

## PUBLIC HEARING NOTICE

The Bedford County Board of Supervisors will hold a public hearing on Monday, June 27, 2022, at 7:00 p. m. in the Board of Supervisors Meeting Room, Bedford County Administration Building, 122 East Main Street, Bedford, VA 24523, to make revisions to Chapter 6 "Elections"

**District 1:** District 1 shall be expanded by adding an area commencing at a point where Route 608 (Emmaus Church Rd.) intersects with Route 749 (Mead Valley Rd./Meadors Spur Rd.); then south on Route 749 (Mead Valley Rd./Meadors Spur Rd.) to Route 655 (Diamond Hill Rd.); then south on Diamond Hill Rd. to Route 122 (Moneta Rd.); then southwest on Moneta Rd. and continuing to the Bedford-Franklin County line (Roanoke River); then west along the boundary between Bedford and Franklin County along the Roanoke River, then in a northwest direction to the end of Hales Creek Dr.

There is removed from the northern end of District 1 an area where the American Electric Power Company Troutville-Smith Mountain Transmission Line intersects with Route 635 (Jeters Chapel Rd.); then southeast and east along Jeters Chapel Road to Route 619 (Jordantown Rd.); then .1m east on Jordantown Road to Route 635 (Lovers Ln.); then southeast on Lovers Ln. to Sweet Shrub Ln.; then east on Sweet Shrub Ln. to Daffodill Dr.; then south on Daffodill Dr. to Farmer Ln.; then southeast on Farmer Ln. .2m; then north and east to Beaverdam Creek; then north and west on Beaverdam Creek for 1 mile to Lick Mountain Dr.; then east on Lick Mountain Dr. .4m to the American Electric Power Company Troutville-Smith Mountain Transmission Line.

**District 2:** District 2 shall be expanded by adding an area on the western side where Route 684 (Rocky Ford Rd.) intersects with Route 746 (Dickerson Mill Rd.) then north and west on Dickerson Mill Rd. to the American Electric Power Company Troutville-Smith Mountain Transmission Line; then northwest along the transmission line 1.7m to a point along the transmission line at 37.267, -79.712, then following along a north, slight northeast direction along unnamed mountain ridges and slopes to; Bore Auger Creek; then following east along Bore Auger Creek, crossing Route 754 (Saunders Grove Dr.); then continuing east along Bore Auger Creek to Goose Creek; then south and north along Goose Creek to Route 684 (Rocky Ford Rd.).

District 2 shall be further expanded by adding an area on the eastern side where Route 731 (Chestnut Fork Rd.) intersects with Route 43 (Virginia by-way/Shingle Block Rd.); then south and southeast on Route 43 to Route 24 (Wyatts Way); then south and east then north and east on Wyatts Way to Big Otter River; then southeast along Big Otter River to the boundary line between Bedford and Campbell County; then southwest along the Bedford-Campbell County boundary line to Leesville Lake at the mouth of Anthony Mill Creek; then continuing on the Bedford-Pittsylvania County line for about 1.84 miles to a point along the line; then following a northern direction to where the transmission line intersects a branch of Leesville Lake (south of Mill Creek) near Long Branch Creek.

There is removed from the western end of District 2 the area previously described as expanding in the Diamond Hill area of District 1.

**District 3:** District 3 shall be expanded by adding an area on the northern side where Route 622 (Everett Rd.) intersects Elk Creek; then following northeast along Elk Creek to an unnamed branch connecting to Old Elkton Dr.; then following east and south to Big Maple Dr.; then south on Big Maple Dr., to Otterview Rd.; then southeast on Otterview Rd., to Route 622 (Everett Rd.); then following Everett Rd. to the power line; then south along power line for 1.26m to a farm road connecting to Route 811 (Thomas Jefferson Rd.) approximately .4m north of Route 1645 (Smoketree Dr.).

There is removed from District 3 the area previously described as expanding in the eastern side of District 2.

**District 4:** There is removed from District 4 an area to the west of Route 633 (Perrowville Rd.) where Perrowville Road intersects with Route 221 (Forest Road); then west on Forest Road to Elk Creek; then north along Elk Creek to Route 643 (Coffee Road); then east on Coffee Road to Perrowville Road; then south on Perrowville Road to the intersection of Route 221 (Forest Road).

There is further removed from District 4 the area previously described as expanding in the northern side of District 3.

**District 5:** There is removed from District 5 an area on the south-western side where Route 682 (Woods Rd.) intersects with Route 43 (Peaks Rd.); then west along Big Otter River (Sheep's Creek) to the mouth of an unnamed branch approximately .75 miles South of Route 682 (Kelso Mill Rd.); then northwest along the unnamed branch in the valley between Sharp's Mountain and Route 642 (Toms Rd.); then along the dry creek bed to the bottom of a ridge off of Sharp Top Mountain; then west to the top of this ridge at the top of Sharp Top Mountain; then north along the Sharp Top Trail, continuing from the bottom of Sharp Top to Route 43 (Peaks Rd.); then southeast along Route 43 to the intersection with Route 682 (Woods Rd.).

**District 6:** District 6 shall be expanded in the Town of Bedford by adding an area beginning at the intersection of Route 43 and E Main St.; then east on E Main St. to Link Rd.; then south on Link Rd.; then continuing west along the southern boundary of the Town to South St.; then north on South St., to E Main St.

District 6 shall be further expanded by adding an area as previously described as removed on the northern side of District 1.

There is removed from District 6 an area where US 460 intersects Route 689 (Irving Rd.); then east on Irving Rd. to Route 717 (Murray Hollow Rd.); then north on Murray Hollow Rd. to Route 692 (Cool Springs Rd.); then southeast on Cool Springs Rd. to Route 688

(Buffalo Run Rd.); then south on Buffalo Run Rd. to Route 689 (Irving Rd.); then east on Irving Rd. to US 460; then west on US 460 to Irving Rd.

There is further removed from District 6 an area previously described as expanding on the western side in District 2.

**District 7:** District 7 shall be expanded by adding three areas previously described on the western side of District 4, the western side of District 5, and the northern side of District 6.

There is removed from District 7 the area previously described as expanding in the Town of Bedford in District 6.

A copy of the full text indicating the proposed changes is on file in the office of the County Administrator.
