

## AGREEMENT IN LIEU OF AN EROSION AND SEDIMENT CONTROL PLAN

(please read carefully before signing)

Bedford County Division of Natural Resources  
122 East Main Street, Suite G-03  
Bedford, VA 24523  
540-586-7616

In lieu of submission of an erosion and sediment control plan for the construction of this structure, I do hereby certify and acknowledge that I fully understand and know the requirements of the Bedford County, Erosion and Sediment Control Ordinance and agree to install and maintain for the life of the project the following erosion control measures:

1. Temporary construction entrance underlain with a geotextile fabric
2. Silt fence and/or perimeter barriers on the down-slope side of all denuded areas
3. All disturbed areas are to be at final grade, dressed, seeded & mulched prior to issuance of the Certificate of Occupancy (CO)

-please plan ahead for the stabilization of the site-

Such requirements are based on the conservation standards contained in the Commonwealth of Virginia Erosion and Sediment Control Law (VA Code 562.1-44.15:51 through 562.1-44.15:66) and Regulations (9VAC25-840-10 through 9VAC25-840-110). Copies of these specifications are available at <http://www.bedfordcountyva.gov/departments/community-development/naturalresources/ordinances-regulations>. Any areas that may not be at final grade but will remain undisturbed for longer than 30 days shall be stabilized temporarily in accordance with the Bedford County Erosion and Sediment Control Ordinance.

By signing this Agreement, I agree to install and maintain the minimum practices necessary to provide adequate control of erosion and sediment deposition resulting from this project in accordance with the Bedford County Erosion and Sediment Control Ordinance. I understand that failure to comply with this agreement and/or failure to correct violations within five (5) working days following notice of violation will result in termination of this Agreement and suspension of all permits for this project. I further understand that the above action will require submittal of an Erosion and Sediment Control Plan for

application and approval of a Land Disturbing Permit prior to reinstatement of the suspended permit(s).
