EMERGENCY ORDINANCE
TO ALLOW FOR THE CONTINUITY OF GOVERNMENT OPERATIONS DURING THE PANDEMIC,
INCLUDING ALTERING THE PROCESS FOR CONDUCTING PUBLIC MEETINGS.

WHEREAS, on January 31, 2020, the U.S. Secretary of Health and Human Services declared a public health emergency in response to the spread of the novel coronavirus (COVID-19); and

WHEREAS, on March 12, 2020, the Governor, in Executive Order 51, declared a state of emergency in the Commonwealth of Virginia, acknowledging the spread of COVID-19 as a disaster as defined in Virginia Code § 44-146.16; and

WHEREAS, Executive Order 51 authorized local governments to render appropriate assistance and to alleviate conditions, as appropriate, to prepare for and mitigate the effects of the virus; and

WHEREAS, on March 13, 2020, the President of the United States found and declared the outbreak of COVID-19 to constitute a national emergency, beginning March 1, 2020; and

WHEREAS, on March 13, 2020, in accordance with Virginia Code § 44-146.21, the Bedford County Director of Emergency Management declared a local state of emergency in Bedford County; and

WHEREAS, the Board of Supervisors has determined that COVID-19 constitutes a communicable disease of public health threat which has caused a disaster as those terms are defined in Virginia Code § 44-146.16; and

WHEREAS, the Bedford County Board of Supervisors convened a meeting on March 23, 2020, and

confirmed, pursuant to Virginia Code § 44-146.21, the declaration of emergency in Bedford County; and

WHEREAS, such emergency has not in fact ended, however, the County's prior Continuity of Government Ordinance expired by its own terms on May 23, 2020; and

WHEREAS, the County's prior Continuity of Government Ordinance was readopted by the Board of Supervisors on January 11, 2021 and expires by its own terms on March 12, 2021; and

WHEREAS, while the Board of Supervisors values transparency in government and public engagement, it also finds that emergency measures are necessary to mitigate the spread of COVID-19 and to protect the health, safety, and welfare of residents and employees, while still providing for government operations to continue during this state of emergency; and

WHEREAS, Virginia Code § 15.2-1413 provides that the Board of Supervisors, notwithstanding any contrary provision of law, may adopt an ordinance to assure the continuity of government operations during this disaster and for up to six months; and

WHEREAS, Virginia Code § 44-146.21 further provides that the locality, during a declared local emergency, may proceed without regard to time-consuming procedures and formalities prescribed by law, except for mandatory constitutional requirements; and

WHEREAS, Virginia Code § 15.2-1200 provides the county with authority to adopt necessary regulations to prevent the spread of contagious diseases among its residents; and

WHEREAS, the Board of Supervisors also has the inherent authority to vary the county's policies, procedures, and practices to assure the continuity of government operations; and

WHEREAS, government operations includes the work of the Board of Supervisors and other local public bodies, and the personnel who work for or on behalf of local public bodies; and

WHEREAS, this emergency ordinance in response to the disaster caused by the COVID-19 pandemic promotes the public health, safety, and welfare, and its adoption is consistent with the law of the Commonwealth of Virginia, the Virginia Constitution and the United States Constitution.

NOW, THEREFORE, BE IT ORDAINED, that this uncodified ordinance is hereby enacted as follows:

An Emergency Ordinance Allowing for the Continuity of Government Operations During the Pandemic

Sec. 1. Purpose; Effective Date; Expiration

This ordinance allows for variances from state laws and county ordinances in order to protect the health, safety, and welfare of residents and employees from the spread of COVID-19 while still providing for government operations to continue during this state of emergency.

The operation of government includes management of all county facilities, management of the school system, and the work of all local boards, including the board of supervisors, the planning commission, the board of equalization, the electoral board, the board of zoning appeals, and any other local or regional board, commission, committee, or authority created by the board of supervisors or to which the

board of supervisors appoints or recommends for appointment all or a portion of its members (collectively “Public Bodies” and individually “Public Body”), including employees who work for or on behalf of any Public Body.

At this time, public health experts recommend against assembling groups of people in confined spaces. Accordingly, this ordinance contains modifications for public meetings which should be followed while it is deemed unwise or unsafe to gather in one location a quorum for any Public Bodies, or to invite members of the public to physically gather together for public meetings.

Moreover, the spread of COVID-19 may make it impossible or impractical for government operations to meet all normally imposed deadlines, regulations, and time frames, or to comport, in some instances, with lengthy procedures and processes such as procurement or employment processes.

This emergency ordinance is effective immediately and will remain in effect until May 7, 2021 unless amended, rescinded, or readopted in conformity with the notice provisions of Virginia Code § 15.2-1427; however, in no event will the ordinance be effective for more than six months from the conclusion of the declared disaster. Upon repeal or expiration of this ordinance, normal government operations will resume.

Sec. 2. Public Meetings and Public Hearings

A. Any regularly scheduled or regular meeting of any Public Body may be canceled by the chair if there is no essential business that needs to occur or if conditions otherwise make it impractical to meet. Notice of the cancellation must be provided to the Public Body members and the public as soon as practicable.

B. In the alternative, any regularly scheduled or regular meeting of any Public Body may be held by solely electronic or telephonic means without a quorum of members physically present and without members of the public physically present, provided the following occurs:

- 1) The meeting is accessible to the public through live audio or video on the County’s or Public Body’s website, a dial-in telephone number, or a social media platform.
- 2) The agenda and public notice for the meeting must:
 - a. include a statement that the meeting is being held using electronic means under this ordinance;
 - b. contain specific information about how members of the public can access the meeting; and
 - c. if there are any public hearing or public comment items, specifically identify how members of the public can provide comment, including one or more of the following: by e-mail, in writing, by telephone, through a social media platform, or via other electronic means.
- 3) The agenda is posted on the County’s or Public Body’s website at least six days prior to the meeting, except that the agenda of any regularly scheduled meeting occurring within seven days of the adoption of this ordinance must be posted by two working days after adoption of

this ordinance. Other materials associated with the meeting, if any, must be made available to the public at the same time they are provided to the Public Body members.

- 4) For public hearings and any items for which public comment is permitted, the following rules apply:
 - a. Normal rules of order apply with respect to requiring the name and home address of the commenter, that comments relate to the hearing or comment topic, that appropriate limits on the number of comments per person per item apply, and that comments be of reasonable length.
 - b. Public Bodies may allow public comments to be submitted via phone call, e-mail, or in writing, up until a reasonable time before the start of the meeting so long as those comments are provided to the Public Body members prior to any decision on an item.
 - c. If available, members of the public may provide comments through leaving a voicemail on a dedicated phone number up until a reasonable time before the start of the meeting so long as those comments are then provided to the Public Body members prior to any decision on an item.
 - d. If available, members of the public may provide comments through telephonic or interactive electronic means (call-in meeting access, social media platform) during the meeting so long as those comments are received by or provided to the Public Body members prior to any decision on an item.
 - e. The Public Body may choose to receive additional comments through any means for a period of time after the public hearing or public meeting, so long as it announces and publicizes that opportunity and those comments are provided to the Public Body members prior to any decision on an item.
 - f. All public comments must be made a part of the record of the Public Body either by being summarized in or included with the meeting minutes.
- 5) Any votes taken during the meeting must be taken by roll call, individually recording each member's name and vote.
- 6) The minutes of any meeting under this ordinance must conform to the requirements of law, including identifying the forms of electronic communication used, the members participating and the means by which they participated, the opportunities for public access or participation, a summary of the public comments, if any, and the actions taken at the meeting.

C. Public Bodies may hold special meetings consistent with the provisions in (B) except that notice of the special meeting need only be provided at least three working days prior to the meeting, and the agenda and associated materials, if any, need to be made available to the public at the same time as they are made available to the Public Body members.

- D. Public Bodies may hold emergency meetings consistent with Virginia Code § 2.2-3708.
- E. Any item on an agenda for a regularly scheduled, regular, special, or emergency meeting held hereunder may be continued to a later date or time for the purpose of reviewing and considering comments from the public.
 - 1. **This ordinance shall be effective upon adoption.**
 - 2. **This ordinance shall expire the 7th day of May 2021, unless re-adopted by the Board of Supervisors after public notice.**
